Dear Guest,

Below you will find e-Navigation links to ease the final leg from your Cretan arrival port to Villa Koukouvayia. For planning purposes, Villa Koukouvayia is about 3-hrs from Irakleio Airport (HER), and 1 hour from Xania airport (CHQ). Xania/CHQ, is the closest & most typical airport used by our guests, all things being equal—although itineraries and/or flight costs can make the extra drive from Irakleio worth it. If arriving by ferry at Xania's ferry terminal in Souda Bay, you can subtract about a 1/4 hour from the CHQ transit time. Crete's airport and ferry terminals are small and personal, and there is rarely more than 15 minutes needed to get luggage, to sign-out (or return) your rental car and be on your way.
